

PERSONNEL COMMITTEE REPORT

October 2014

New Hires

Tracey Stanifer joined the Information Technology Department as Systems Administrator on October 1. Tracey acquired a Bachelor's Degree in Information Technology from Harrison College. She brings 16 years of experience working in city government from the City of Lafayette.

Benjamin Kennedy joined the Street and Sanitation Department as Driver/Collector/Processor on October 1. Ben has an Associate's Degree from Ivy Tech Community College. He enjoys working outside and coaching Little League baseball and basketball.

Elizabeth Romstadt joined the Police Department as Probationary Police Officer on October 29. Prior to joining the City, "Libby" graduated from Purdue University and served the Lafayette Police Department for three years in the Patrol Division.

Employment Milestone

The City of West Lafayette would like to express its appreciation to Police Officer, First Class William Dearing for having obtained 15 years of service with the Police Department.

Health Promotion

The City, once again, partnered with Blackbird Clinical Services to protect employees from flu this season by sponsoring two flu shot clinics on September 24 and October 3. A total 76 of vaccinations were administered.
